Candace Savage is a storyteller, community organizer and grandmother based in Saskatoon. She is the author of more than two dozen books, including *Prairie: a natural history of the heart of North America* and *A Geography of Blood: unearthing memory from a prairie landscape*. In addition to her work as a writer, she helps lead Wild about Saskatoon and the Swale Watchers, serves on the national council of The Writers' Union of Canada and plays accordion in the Saskatoon Fiddle Orchestra.
