# Native Prairie Speaker Series *Webinar*

**Speaker:** Mike Blom, Field Technician, Redberry Lake Biosphere Region

**About this Webinar:**

I will give updates on the transformation of the new Interpretive Center, Research Station and work we are currently building for the Biosphere, classroom presentations, Species at Risk data collection with Trail cameras, Acoustic recorders and Piping Plover/waterfowl surveys.

Bird banding station coming this fall for migratory song birds, Northern Saw-whet Owls and Long-eared Owls. Live wildlife camera installation on GBH (Great Blue Heron) island, showcasing the nesting GBH and Black-crowned Night Heron rookery which should be live by the time I present.

**About the Speaker:**

Mike Blom is a Field Technician with Redberry Lake Biosphere Region since 2022 working on SAR (Species At Risk) project, surveying and documenting SAR within the Biosphere Region. 20 years of experience banding raptors in Saskatchewan and Northern Alberta. Passionate about wildlife, working outdoors and the environment.

PCAP's Native Prairie Speaker Series is a monthly webinar about prairie conservation or species at risk.

**Hosted by:** Caitlin Mroz-Sailer, Stewardship Coordinator, Saskatchewan Prairie Conservation Action Plan
